

## A Place Upon The Green

When life on earth is over  
Life anew is seen  
Affording simple pleasures  
In a place upon the green

When life on earth is in the past  
A journey lived by faith  
Step by step life's fairway  
Brought me here by grace

Now I've gained new access  
The course unfolding view  
To master hill and valley  
With each stroke straight and true

To enter into pleasures  
Of the beauty I have seen  
Since I was given entrance  
To a place upon the green

## A True Fisherman

A true fisherman knows when  
and where the fish are biting.  
He rises up early in the morning,  
plying the water for that elusive catch,  
waiting in the stillness for a nibble.  
A slight twitch in the line, expertly he  
reels it in. A good fisherman knows a  
keeper when he sees one,  
he knows when to toss one back,  
and when to head for home.
