

There are *Angels* God puts on this Earth
Who care for us and guide us.
You can feel their love and gentleness
as they walk through life beside us.
They do great things for us every day
they whisper in our ears,
they even hold us in their hearts
when we are filled with all our fears.
They are always there to give a hug
and try to make us smile.
They treat us with respect and love,
they treat us like their child.
God blessed me with an Angel,
I'm proud to call my own.
She's been with me throughout my life,
been with me as I've grown.
She's guided me the best she can,
she's taught me like no other,
and I'm thankful I'm the lucky one
who get's to call her... *Mother*
