

## CATTLE GUARDS OF HEAVEN

*When a cowboy cries the rivers rise  
The mountains weep even they know, the loss is very deep  
There are no words to describe the pain in those cowboy eyes  
The gates of heaven opened for that last mountain ride  
A great loss to this world a gain for the next  
The mountains of heaven is now where you rest  
Watch the sunsets from the top of the mountains of heaven  
so I know that we will still watch the same sunsets together  
I still ride this range of life with you still watching over me  
from above same as before  
The clouds have helped you to soar to new heights  
We will watch our sun sets together  
Until I have my seat beside you in the mountains of heaven  
We all love you  
Kiss the sunsets and I will too!*
