

*Heaven needed another angel,  
Given your wings you flew so high.*

*I cried as I let you go.*

*It was so hard to say goodbye.*

*Yet you'll never be far from me.*

*Though it still hurts, I can't pretend.*

*But I'll hold on to your promise*

*That one day we'll meet again.*

FOR MY DAD IN HEAVEN  
*They say there is a reason,  
They say time will heal.  
Neither time or reason  
Will change the way I feel.*

*Gone are the days  
We used to share,  
But in my heart  
You are always there.  
The gates of memories  
Will never close.  
I miss you more than  
Anybody knows,  
Love and miss you everyday  
Till we meet again.*
