

*One night I had a dream.  
I was walking along the beach with the Lord,  
and across the skies flashed scenes of my life.  
In each scene I noticed two sets of footprints in the sand.  
One was mine, and the one was the Lord's.  
When the last scene of my life appeared before me,  
I looked back at the footprints in the sand, and to my surprise,  
I noticed that many times along the path of my life  
there was only one set of footprints.  
And I noticed that it was at the lowest and saddest times in my life.  
I asked the Lord about it.  
"Lord, you said that once I decided to follow you,  
you would walk with me all the way.  
But I noticed that during the most troublesome times in my life  
there is only one set of footprints. I don't understand why you  
left my side when I needed you most."  
The Lord replied, "My precious child, I love you and  
would never leave you.  
During your times of trial and suffering,  
where you see only one set of footprints,  
I was carrying you."*
