

***"The Miracle"***

For God so loved the world  
That He gave His only Begotten Son  
That whosoever believeth in him shall not perish  
But have everlasting life  
Jesus walked upon the water  
He stilled the storm and calmed the angry sea  
With His hands He healed the leper  
He made the lame to walk, the blind to see  
He fed a thousand people with a loaf or two of bread  
And when the ruler's daughter died  
He raised her from the dead  
Jesus is a God of miracles  
Nothing is at all impossible to Him

But I know this

Chorus: Of all His miracles, the most incredible must be

The miracle that rescues me

Jesus bled and died to save me

A price that I could never pay alone

When He rose again, He gave me

The greatest gift the world has ever known

Yes, I can be forgiven every time that I repent

And someday He will lift me up to live with Him again

Jesus is a God of miracles

Nothing is at all impossible to Him

But I know this:

Chorus:

The miracle that rescues you and me

***"Together Forever Someday"***

Well, it's hard to say good bye and let go

And it's hard to see it end

When the mem'ries we've just made

May never happen again. But it's harder for time to ever erase

The together times we've shared.

So, when we're apart remember

All the love we shared together

And for all that love, Thank you Lord above

Who showed us the way

That we can be together, forever someday
